

15th Asian Regional Conference of IAEG ARC-2025

27-29 November 2025 Dhaka, Bangladesh

Welcome from IAEG (International Association For Engineering Geology & The Environment) Bangladesh National Group (BNG)

On behalf of the Organizing Committee of the **15th Asian Regional Conference of IAEG (15th ARC-2025)**, I cordially invite you to take part as a sponsor/exhibitor in the International Association of Engineering Geology and the Environment to be held from **27-29 November, 2025, Dhaka, Bangladesh**

The **14th Asian Regional Conference of IAEG** was held in Kuala Lumpur, Malaysia on Feb, 2024. Bangladesh (**The rising Asian Tiger**) is fortunate enough to get the approval of IAEG to organize such an “**Asian Grand International Event—ARC 2025**” from the IAEG after a very short period of inception of **Bangladesh National Group** in 2017.

This event will provide platforms for Geoscientists, Geo-Engineers, Geo-Archaeologists planners, and policymakers from all continents to present the latest research activities & findings, share knowledge, and exchange professional experiences and views on the various aspects of climate change, geohazards & disasters, infrastructure development, resource management, engineering geosciences, environment & sustainable development. For further information please visit the official Conference website: <http://iaegarc15bng.com> . The location of the Conference will be in “**Hotel Sonargaon**” or equivalent in the central part of the capital Dhaka, Bangladesh.

IAEG Bangladesh National Group is an approved engineering geology & environment related geoscientific organization founded in 2017 with members from academia & industry, national geoscientific and engineering related professionals from Govt. organizations, private sector engineering and environment related companies.

15th Asian Regional Conference (ARC 2025) of IAEG (International Association for Engineering Geology & the Environment)

**“Geological Engineering for Societal and Sustainable Development”
27–29 November, 2025, Dhaka, Bangladesh**

15th Asian Regional Conference of IAEG ARC-2025

27-29 November 2025 Dhaka, Bangladesh

IAEG Bangladesh National Group is working for the professional development of the engineers, geoscientists, and skill development of all members to help society, and humanity for sustainable development under the current context of global climate change to reduce hazards & disasters. Also works as a main platform to establish networking among all members, exchange and share all geoscientific knowledge for geo professionals using geological engineering principles, software & other advanced geoscientific tools to establish a coherent link from a multidisciplinary approach.

During the Conference, the parallel exhibition will play a key role in enabling us to bring out cross-cutting issues of the national and international levels. Your participation as a sponsor and/or exhibitor will provide an opportunity to manifest your activities and products to the Conference participants. Sponsorship can provide you with exposure to your corporate products and brand awareness nationally and internationally, and create a positive link about your activities in conference attendee's minds. In the following, you will find further information on the Conference Sponsorship to join the event.

Thank you for considering this invitation to join the “**15th Asian Regional Conference of IAEG (15th ARC-2025)**”, as an esteemed sponsor.

We look forward to seeing you in the **15th ARC 2025**, Dhaka, Bangladesh..

Thanking You in advance for your support & co-operation.

ATM Shakhawat Hossain, PhD

President of the Organizing Committee

15th Asian Regional Conference of IAEG ARC-2025

27-29 November 2025 Dhaka, Bangladesh

BRIEF INFORMATION ABOUT 15th ARC 2025

IAEG is established in 1964 & affiliated to the International Union of Geological Sciences (IUGS), a global scientific society with more than 6,000 members and more than 60+ national groups. IAEG **Bangladesh National Group** was established to see the interests of Engineering Geology and the Environment in Bangladesh to build up a strong professional network of Engineering Geologists and willing to support the aims of the world IAEG to attain the following objectives according to IAEG statutes and by laws.

For last 60 years, the International Association for Engineering Geology and the Environment (IAEG) brings together all engineering geological professionals and researchers into a single forum through various regional and international conferences and it is serving excellently to further development of engineering geology discipline and promoting many national groups around the globe. **IAEG Bangladesh National Group** also has an affiliation with IAEG as Bangladesh National Group and it is assisting IAEG by conducting various IAEG-related conferences & congresses.

The conference is a forum of all geoscientists, engineers & policymakers for a brain storm discussions and knowledge exchange & sharing of new research findings in the field of Engineering Geology, climate change and disasters. This will offer a spectacular opportunity for the 21st century future engineers, companies, scientists and agencies to meet and take further outstanding approaches and steps to enhance the current state of Engineering geology & Environment in attaining sustainability.

15th Asian Regional Conference of IAEG ARC-2025

27-29 November 2025 Dhaka, Bangladesh

The Conference will cover the following areas:

1. Geology, Geological Engineering --from theory to practice & Sustainable Development
2. Site & Laboratory Testing, Investigations & Evaluation
3. Surface & Ground Water and Water Resource Management
4. Climate & Climate-Induced Hazards of Asia & Pacific Region
5. Earthquake & Liquefaction Hazards
6. Landslide Risks, Susceptibility & Early Warning System
7. Unsaturated Soil Mechanics & Geo-Hazards
8. Engineering Geology in Urban Planning, Design & Development
9. Surface, Subsurface & Underground Geology
10. Tunneling and Tunnel Related Hazards
11. Hydrology, Meteorology & Atmospheric Sciences
12. Climate, Environment & Environmental Modeling
13. Marine Engineering Geology and Coastal Hazards
14. Mines & Minerals
15. Renewable Energy & Sustainable Development
16. Oil, Gas & Natural Resource Management & Engineering
17. Geomaterials (Soft & Hard) For Construction & Civil Engineering Works
18. Geo-Engineering, Geo-hazards & AI
19. Ecology, Soil, Water & Environment
20. Archaeology, Geology, Geopark & History
21. Health Hazards, Governance & Policy
22. Water, Sanitation, hygiene & Waste Management

15th Asian Regional Conference of IAEG ARC-2025

27-29 November 2025 Dhaka, Bangladesh

These topics will be discussed in specific Sessions of the Conference, which you can find at:
<http://www.iaegarc15.com>. Following countries have already confirmed to join the event ..

| | | |
|-----------|-------------------|-----------|
| Australia | China | India |
| Canada | | Vietnam |
| Greece | Nepal | Indonesia |
| Italy | Japan | Malaysia |
| Mongolia | Republic of Korea | Bhutan |
| Sri Lanka | USA | UK |

TERMS AND CONDITIONS

BOOKING PROCEDURES

In order to proceed with the booking of the chosen sponsorship, institutes, companies are kindly requested to send an email (as mentioned in the bottom part of this document)to the Organizing Secretariat the following forms:

- Sponsorship Application Form in page
- Copy of the payment or credit card authorization

PAYMENT INFORMATION

All payments must be in Bangladeshi Taka or US\$. Invoice for the items will be delivered upon the email request.

15th Asian Regional Conference of IAEG ARC-2025

27-29 November 2025 Dhaka, Bangladesh

Booking will not be confirmed until the deposit has been fully paid. **Initially 40 percent amount** must be paid. All remaining dues of the invoices must be paid within the allocated deadline. In the case of late payment, the Organizing Secretariat reserves the right to resell the space. Full payment of exhibition invoices is required prior buildup of the exhibition booth. Exhibitors with payments outstanding will not be allowed to build their exhibition stands.

Allocation of stands

Stands will be allocated on a first-come first-served basis. Platinum, Gold and Silver Sponsor will be given priority on stands.

Manning of stands

Exhibitors will be required to ensure that their stands are manned during the opening hours of the exhibition and must not dismantle their stands before the published closing time.

Exhibitor Badge: The Exhibitor Badge entitles Exhibitors to:

- Free access to the exhibition area
- 1 Conference kit per Company
-

Sharing /Sub-letting of Stands

Exhibitors are not permitted to share or sub-let with others any booth space allotted to them without prior written consent from the Organizing Secretariat.

Specific Stand Design (direct fitting)

Specific stand design needs to be discussed with the organizers. For further information, you can contact **Prof.Dr.ATM Shakhawat Hossain, Organizing President** ,

Email: shakhawathos2004@yahoo.com

WHY and HOW TO SUPPORT 15th ARC-2025 of IAEG?

The 15th ARC of IAEG is expected to attract over 300 delegates comprising a mix of international and Bangladeshi participants with interests across a broad range of disciplines. Delegates will be drawn from industry, government agencies, research institutes, and universities.

The 15th ARC of IAEG will provide your organization with opportunities that include:

- Exposure at a premier Conference devoted to the Engineering Geology & Environment industry/ research field
- High visibility on the official Conference website and in Conference marketing materials
- A platform for networking and doing business with key decision-makers of the country
- An arena to capture and secure new prospects whilst enhancing your corporate profile with existing clients
- The opportunity to increase your brand recognition locally and internationally.

IAEG Bangladesh National Group has decided sponsorship plan for ARC-15. For sponsorship, one unit of sponsorship is **BDT. 30,000 for local sponsors or US\$800 for international sponsors**. Sponsorship minimum 2 units will be accepted for various benefits. Details on Platinum, Gold and Silver Sponsorship packages are listed below.
