

🗨️ New Deadline 25th of February! 🗨️

~ Call for YEG candidates ~ [#YEG Executive Office](#)

▶ Are you interested to join our expanding network and collaborate on fruitful ideas related to Engineering Geology and the Environment? We are waiting for you!

✔ Your application should include:

- Short video presentation (5-10 minutes)

The video should introduce yourself and your background and cover your proposed initiatives, ideas, and actions for the role.

- Short resume (2-3 pages)
- Official letter from National IAEG Group or the Vice-President of the region (Letter of support from the National Group of the candidate signed from the President)

✔ Applications have to be submitted electronically to the YEG email (iaeg.yeg@gmail.com)

The Young Engineering Geologists Committee was formally established by the IAEG council in 2016 and recognizes the younger (under 40) members of the IAEG. We are seeking new members for a 2-year term.

The YEG Committee is focused on promoting activities and engagements for younger members of IAEG as well as providing services to the young members.

For more information visit our website: <http://www.iaeg.info/yegs>

The YEGs are the active young member (under 40 years old) chapter of the IAEG. The YEG membership is represented by a dynamic network of YEG representatives from many regions around the world which form the local YEGs or national representatives. The Management Committee is the main core of the YEG network, and they are responsible for the YEG outcome. Our goal is to promote the interests of young members and their involvement within the IAEG, by facilitating networking and organizing relevant events around the world. All under 40 Geo experts are invited to join our group.

🗨️ **Our objectives**

- Provide worldwide leadership in Engineering Geology
- Be the voice of the international Engineering Geology profession
- Support, foster and communicate research, innovation and the practice of Engineering Geology
- Promote education and training in Engineering Geology and provide support to the profession
- Promote professional standards in Engineering Geology and provide networking opportunities for Engineering Geologists
