CALL FOR APPLICATIONS OF THE FOURTH INTERNATIONAL RESEARCH PROGRAM OF IAEG

All members and Commissions,

The 4th International Research Program of IAEG (IRP-IAEG) is officially launched.

The IRP program is an international cooperative research program aimed at promotion in research and practice of Engineering Geology and the Environment. Generally, no more than 5 projects will be active over the same period. The maximum duration of each research project is 4 years.

The IRP projects is recommended and supported by the corresponding IAEG Commissions. The chief applicant must be the member of IAEG and corresponding Commission.

The theme of the 4th IPR is Engineering Geology and Sustainable Development. Application form should be sent to the Secretary General **before August 1st, 2026**. And the selection activity and awarding ceremony will be held during the 15th IAEG World Congress on October 30th - November 6th, 2026 in Delft, Netherlands.

For more information, please refer to Administrative Measures for International Research Program of IAEG.

Best regards,

Vassilis P. Marinos
President of the IAEG

Faquan Wu
Secretary General
